

# 4C Horizontal Mailbox Enclosures - Free-Standing

3916D free-standing mailbox enclosure with front loading 4C mailbox unit (#3716D-20 - see page 12) in aluminum finish displayed

## 4C HORIZONTAL MAILBOX ENCLOSURES FREE-STANDING

Made of heavy duty aluminum, Salsbury 3900 series 4C free-standing mailbox enclosures are designed to accommodate Salsbury 3700 series U.S.P.S. approved front loading 4C standard and custom horizontal mailboxes. Free-standing mailbox enclosures mount to the ground and can accommodate each of the Salsbury 3700 series horizontal mailbox heights (maximum height, 15, 13, 11, 9, 7 and 5 equivalent standard mailbox door heights) in both one door wide (single column) and two (2) doors wide (double column). Mailboxes are sold separately - see pages 12-17. Free-standing mailbox enclosures feature a durable powder coated finish available in four (4) contemporary colors that match the color of the 4C horizontal mailboxes. 4C standard and custom horizontal mailboxes easily fit into the fully assembled enclosures with mounting hardware (included). Free-standing mailbox enclosures provide a convenient means of installing 4C standard and custom horizontal mailboxes in locations where a wall mounting application is not desired or available. Designed for indoor and outdoor use, free standing mailbox enclosures are ideal for apartments, condominiums, commercial buildings, offices and many other applications.
