

Cell Phone Lockers

CELL PHONE LOCKERS

Made entirely of aluminum, Salsbury 19800 series cell phone lockers are ideal for use in health clubs, government facilities, office buildings, schools and other settings where small personal items need to be stored safely and securely. Cell phone lockers can be surface mounted or counter top mounted and accommodate cell phones, keys, tablet PC's, wallets, cameras, keys and other small valuable items. Cell phone lockers feature a durable powder coated finish available in four (4) contemporary colors and five (5) door configurations with standard A doors (6-1/2" W x 5-1/4" H) and larger B doors (13" W x 5-1/4" H). Cell phone locker compartments are 8" deep and feature master keyed locks or resettable combination locks. Master keyed locks include three (3) keys and allow access to all compartments with a master control key (#19991). Resettable combination locks can be set to a fixed combination or a combination that can be reset after each use. Each cell phone locker door includes a 2" W x 5/8" H clear plastic cardholder (card included) to identify the compartment. Custom engraved placards (#19967) and custom door engraving (#19968 - regular and #19974 - black filled) are available as options upon request. See cell phone locker options on page 99.
