Manufacturing Quality Products

Salsbury Industries has excelled in manufacturing and distributing quality products since 1936. Our vertically integrated manufacturing and distribution facilities and our ISO 9001: 2008 quality system allow us to effectively and efficiently produce components that are stamped, machined, welded, powder coated, assembled, packaged and shipped from our manufacturing facilities. Our Los Angeles, CA and Columbus, OH warehouses are filled with thousands of commercial and residential mailboxes to meet all of your requirements. Whether you are around the corner or around the world, most orders ship from our large inventory within 24 to 48 hours of receipt.
