COLLECTION BOXES PRIVATE ACCESS

Made of heavy duty aluminum, Salsbury 3400 series pedestal collection boxes provide a convenient means of depositing and collecting mail, documents, small packages and other items. Collection boxes feature a 12" W x 7-5/8" H front access hopper door and a 21" high locking collection compartment that deters mail and package theft. Collection boxes include a 13" H matching pedestal and master commercial lock. The durable and corrosion resistant units can be used indoors or outdoors and feature a powder coated finish available in six (6) contemporary colors. For matching 4C pedestal mailboxes, see pages 22-23.

KEY LOCKERS

Made of zinc and aluminum alloy, Salsbury key lockers are powder coated black and provide convenient access to stored keys. A combination of four (4) numbers can be easily set and changed by the owner. Key lockers are available as surface mounted (#1075) and shackle style (#1076) units and include a sliding plastic shutter to protect the combination dials. Shackle style key lockers also include a black protective coating. Surface mounted key lockers easily mount to walls or other flat surfaces with four (4) screws (included) and shackle style key lockers can be hung from door handles or other suitable locations. Key lockers are ideal for quick and easy access to businesses and homes by children, friends, associates, realtors and emergency personnel.

1075

KEY KEEPERS USPS or PRIVATE ACCESS

Made of 20 gauge steel, Salsbury key keepers are available as surface mounted or recessed mounted units and feature a durable powder coated finish. A key keeper allows the U.S.P.S. or other individuals to access a key and deliver the mail and is useful when restricted access to a building or mailroom is required.
