

Free-Standing 4C Receptacle Bins and Collection Boxes

FREE-STANDING 4C RECEPTACLE BINS AND COLLECTION BOXES FRONT LOADING

Made of heavy duty aluminum and stainless steel hardware, Salsbury 3900 series front loading free-standing 4C horizontal receptacle bins and collection boxes are convenient options for free-standing 4C mailbox installations or as stand-alone units. 4C collection boxes are available in three (3) standard height configurations and feature a 12" W x 7-5/8" H front access hopper door for depositing items and a mail collection compartment. Maximum height 4C receptacle bins feature two (2) 10-1/2" W x 6" H flaps that are hinged at the top and swing inward for depositing items. The 11 and 10 door high units feature one flap that is hinged at the top and swings inward. Custom engraved placards (#3763) and custom engraving (#3766) are available as options upon request. All receptacle bin units include a storage compartment for waste deposit (bins sold separately). Custom engraved placards (#3763) and custom engraving (#3766) are available as options upon request. Collection compartments are accessed through a lockable access door on the front of the unit. 4C receptacle bins and collection boxes feature a durable powder coated finish available and are ideal for apartment buildings, commercial buildings, residential developments, colleges, private postal centers, corporate mail centers and many other applications.
