

Recessed Mounted 4C Receptacle Bins & Collection Boxes

RECESSED MOUNTED 4C RECEPTACLE BINS AND COLLECTION BOXES FRONT OR REAR LOADING

Made of heavy duty aluminum and stainless steel hardware, Salsbury 3700 series recessed mounted 4C horizontal receptacle bins and collection boxes are convenient options for 4C mailbox installations. Receptacle bins and collection boxes are available in front loading and rear loading units and include factory installed 3/4" W x 1/4" D trim. 4C receptacle bins in 14 door, 15 door and maximum height units feature two (2) 10-1/2" W x 6" H flaps that are hinged at the top and swing inward for depositing items. The 7 door high units through 13 door high units feature one flap that is hinged at the top and swings inward. Custom engraved placards (#3763) and custom engraving (#3766) are available as options upon request. All receptacle bin units include a storage compartment for waste deposit (bins sold separately). 4C collection boxes are available in 8 door high units through maximum height units and feature a 12" W x 7-5/8" H front access hopper door for depositing items and a mail collection compartment. Custom engraved placards (#3763) and custom engraving (#3766) are available as options upon request. For front loading units, collection compartments are accessed through a lockable access door on the front of the unit. For rear loading units, collection compartments include a lockable access door, with a handle on the front of the unit as well as a heavy duty rear access door, latch and continuous hinge. 4C receptacle bins and collection boxes feature a durable powder coated finish available in aluminum, bronze, gold or sandstone. 4C receptacle bins and collection boxes are ideal for apartment buildings, commercial buildings, residential developments, colleges, private postal centers, corporate mail centers and many other applications.
