### FREE-STANDING ROTARY MAIL CENTERS

Constructed of 16 gauge steel, heavy duty Free-Standing Rotary Mail Centers feature a vinyl finish available in four (4) contemporary colors. Free-Standing Rotary Mail Centers are designed to accommodate a combination of five (5) modular lock boxes. To operate, the user unlocks the unit and rotates the inner cabinet 180 degrees so that the rear of the mailboxes are facing the front (see below). After distributing the mail, the inner cabinet is rotated back 180 degrees to the customer access position.
