

# Design Assistance

## Architectural Resources

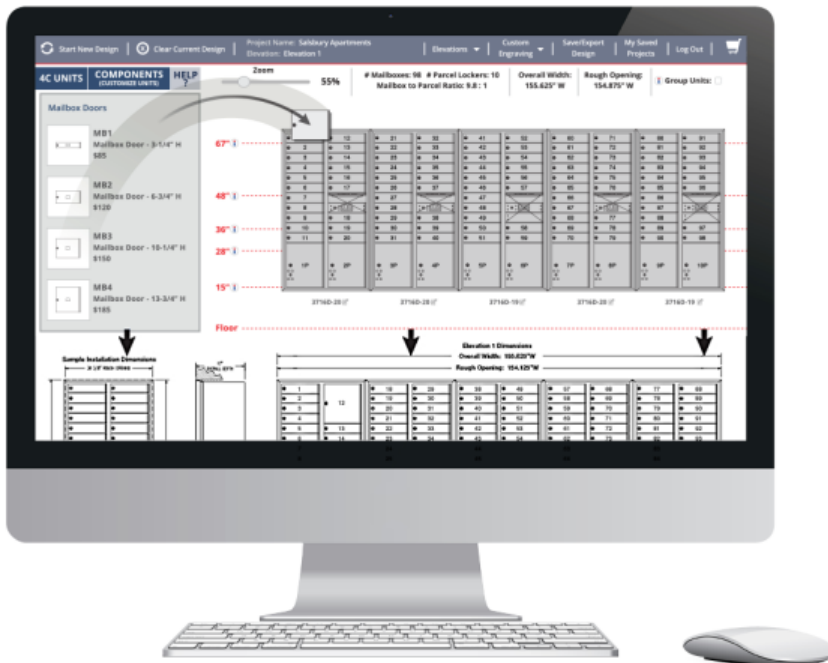

Salsbury Industries design engineers are available to architects, specification writers and individuals involved in the design of mail distribution facilities, apartment complexes and commercial buildings. Salsbury Industries website features an Architectural Resources section that provides product information, technical drawings, installation instructions, detailed specifications, AutoCAD Drawings and 3D Revit/BIM models for download. For more information visit: [www.mailboxes.com/Architectural-Resources](http://www.mailboxes.com/Architectural-Resources)

## On-line Resources

- Product Information
- Technical Drawings
- Installation Instructions
- Detailed Specifications
- AutoCAD Drawings
- 3D Revit / BIM Models

## 4C Horizontal Mailbox Configurator

The Salsbury Industries 4C horizontal mailbox configurator is available online and will assist in determining the optimal number of mailboxes and parcel lockers based on your specific requirements. This robust tool also allows you to customize 4C mailbox units and add numbering sequences to drawings. In addition to clear and easy to read elevation line drawings with dimensions, our online mailbox configurator will also provide you with PDF, Word, Excel and AutoCAD drawing files for your project. Purchasing products online and requesting a quote is simple and convenient. Access our 4C Configurator at: [www.mailboxes.com/4C-Configurator](http://www.mailboxes.com/4C-Configurator)
