Salsbury Industries provides commercial mailboxes for both
U.S. Postal Service access and private access. The following
symbols will assist you in selecting the appropriate products.

Choose products with this symbol when mailbox
is to be accessed by the U.S. Postal Service.
Complying with postal specifications, these products
are designed to accept a master postal lock
which is issued and installed by your local postal
authorities.

Choose products with this symbol when mailbox
is not to be accessed by the U.S. Postal Service.
Manufactured with quality materials, these products
are ideal for private postal centers, government
agencies, corporate mailrooms, colleges and schools,
banks, military bases and many other applications.
